

ICONN 2010

www.ausnano.net/iconn2010

22 – 26 February 2010
Sydney Convention Centre

The 2010 International Conference on Nanoscience and Nanotechnology (ICONN 2010) will bring together the Australian and International community working in the field of nanoscale science and technology to discuss new and exciting advances in the field. ICONN will cover nanostructure growth, synthesis, fabrication, characterisation, device design, modelling, testing and applications.
