

# 2<sup>nd</sup> EUROPEAN CONFERENCE ON ENVIRONMENTAL APPLICATIONS OF ADVANCED OXIDATION PROCESSES

## Scientific Committee

T. Albanis, Greece	S. Ledakowicz, Poland
I. Arslan-Alaton, Turkey	G. Li Puma, UK
D. Bahnemann, Germany	P. Lianos, Greece
A. de Battisti, Italy	S. Malato, Spain
M. Bekbolet, Turkey	D. Mantzavinos, Greece
C. Comninellis, Switzerland	I. Metcalfe, UK
H. Debellefontaine, France	C. Michael, Cyprus
E. Diamadopoulos, Greece	R.F.P. Nogueira, Brazil
D. Dionysiou, USA	L. Palmisano, Italy
D. Duprez, France	M. Papadaki, Greece
S. Esplugas, Spain	S. Parsons, UK
P. Falaras, Greece	C. Petrier, France
J. Figueiredo, Portugal	I. Poulios, Greece
F. Frimmel, Germany	A. Pintar, Slovenia
H. Gomes, Portugal	C. Pulgarin, Switzerland
J. Herrmann, France	L. Rizzo, Italy
A. Hiskia, Greece	M. Rodrigo, Spain
J. Kallas, Finland	M. Sievers, Germany
N. Kalogerakis, Greece	M. Trapido, Estonia
D. Kassinos, Cyprus	X. Verykios, Greece
H. Van Langenhove, Belgium	A. Zouboulis, Greece

## Organizing Committee

D. Mantzavinos, Chair (Technical University of Crete)  
I. Poulios, Co-Chair (Aristotle University of Thessaloniki)  
D. Kassinos, Co-Chair (University of Cyprus)  
A. Efstathiou (University of Cyprus)  
N. Kalogerakis (Technical University of Crete)

### Conference Secretariat

For more information please contact the Conference Secretariat:

**TOP KINISIS**  
travel

Conference Department  
2 Leonidou & Acropoleos Avenue  
2007, Strovolos, Nicosia - CYPRUS

Tel: +357 22713716  
Fax: +357 22869735  
E-mail: eaaop2@topkinisis.com

Cyprus Hilton Hotel • Nicosia, 9 - 11 September 2009

[www.eaaop2.com](http://www.eaaop2.com)

**Call for Papers**

Technical University of Crete  
Dept. of Environmental Engineering

University of Cyprus  
Dept. of Civil & Environmental Engineering

Aristotle University of Thessaloniki,  
Dept. of Chemistry

## Conference Objective

The objective of the conference is to bring together scientists, engineers and other environmental professionals to present their findings and discuss future trends and directions concerning various environmental applications of **Advanced Oxidation Processes (AOPs)**.

The presentations will focus on the scientific and technological advances of AOPs for the remediation of surface water, drinking water, groundwater, municipal, industrial and agro-industrial wastewater, air and soil contaminated with various recalcitrant compounds, either alone or in conjunction with other processes.

## Topics

- Process fundamentals
- Reaction kinetics & mechanistic modelling
- UV-based processes
- Semiconductor photocatalysis
- Solar-driven applications
- Fenton processes
- Radiation processes
- Ozonation technologies
- Electrochemical processes
- Wet air oxidation processes
- Coupling AOPs with physical & biological processes
- AOPs for water and groundwater treatment
- AOPs for odour and VOC control
- AOPs for soil remediation
- Tertiary treatment & Disinfection
- Pilot scale & Field applications
- Monitoring and control of process performance
- New technology trends
- Case studies

## Important Dates

Abstract submission:	<b>1 March 2009</b>
Notification Acceptance:	<b>30 March 2009</b>
Manuscript submission:	<b>15 May 2009</b>
Conference dates:	<b>9 - 11 September 2009</b>

## Call for Papers

**On-line registration** and **submission of abstracts** are available. Visit our website <http://www.eaaop2.com> for more information.

**One page summary** for the Book of Abstracts and up to **eight-page camera-ready manuscript** for the electronic conference proceedings (CD-ROM) should be prepared by **15 May 2009**. More details regarding the format of the manuscript can be found on our website.

After the conference, a selected number of papers will be considered for publication following peer review in special issues of leading journals (so far we have come to an agreement with **Catalysis Today**).

## Registration Fees

The conference fees are **425 €** for registrations prior to **31 May 2009** and **475 €** after that date. Conference fees for full time **graduate students** are **200 €**. Conference fees for one-day registration are **200 €**. **Conference fees include:** conference proceedings, admittance to the conference, coffee breaks, the reception cocktail, three lavish buffet luncheons and the gala dinner with traditional Cypriot dishes.

Registration online is the preferred means of registration. An online registration form will be available on the conference website. For those who wish to submit their registration form by fax: +357 22869735

## Conference Venue

The conference will be held at the Hilton Cyprus Hotel in Nicosia. Long known as the landmark of Nicosia and a focal point of its business and social life, the Hilton Cyprus is a 5-star hotel, located about 40 minutes via motorway from Larnaca International Airport. Standing at the height of Makarios Avenue, one of Nicosia's main arteries, the Hilton Cyprus is a symbol of excellence. It is the choice of business travelers, convention and conference organizers, as well as leisure travelers who insist on accommodation, facilities and service of international standards. But the Hilton Cyprus is also for those who want to discover and enjoy the warmth and hospitality that our island is known to offer.

## Accommodation

Special rates have been granted by the Conference Hotel for the participants of the meeting. Furthermore, rooms have been reserved at other 4\* and 3\* hotels of Nicosia. Rooms will be reserved on a 'first come first served' basis. The accommodation must be pre-paid to the Conference Secretariat upon submission of your registration form prior to your arrival. Please refer to the Conference website for further information and reservations.

## Financial Aid

The participation of a very limited number of participants may be financed to cover the participation fees. Please note that the **closing date for application is 15 April 2009**. Visit our website for an application form and related information.

## Air Travel

Cyprus can be reached by several major international airlines from European gateway cities. From North America, travelers can break up the journey in the European city of their choice or elect to keep connection time to a minimum. Popular gateways include London, Paris, Amsterdam, Athens, Frankfurt, Zurich, Helsinki, Rome, Dubai etc. In addition, Cyprus Airways provides regular daily flights from many major European and Middle Eastern gateways.

If you need any assistance with flight itineraries and fares, please contact the Conference Secretariat, Top Kinisis Travel who will be happy to offer you their services.

## Legal Points of Entry

The legal ports of entry into the Republic of Cyprus are the airports of Larnaca and Paphos and the ports of Larnaca, Limassol, Latsi and Paphos, which are situated in the area under the effective control of the Government of the Republic of Cyprus. Entry into the territory of the Republic of Cyprus via any other port or airport in which the Government of the Republic does not exercise effective control (Turkish occupied areas) is illegal.

## Language

English is the official language of the conference. No translation of the oral presentations will be provided.

## Letter of Invitation

Participants requiring a letter of invitation in order to attend the conference may write to the Conference Secretariat specifying the necessary details. Please note that this procedure aims at assisting the delegates who need to obtain a visa or permission to attend the conference. It is not an official invitation covering fees and other expenses and does not imply any financial support.

## About Cyprus

Cyprus, a historic island, the third largest in the Mediterranean where modern travelers re-trace the footsteps of legendary figures as diverse as Alexander the Great, St. Paul, and Leonardo da Vinci. Today, Cyprus is a modern country that effortlessly marries European culture with Ancient Greek-Roman enchantment. You will discover a compact world of alluring beaches and fragrant mountain peaks, vineyards studded with olive trees, citrus groves, old stone villages and ancient ruins that stir the imagination. The warm welcome of Cypriots and the unhurried pace of daily life, makes Cyprus an instant favourite of anyone who comes here.

Cyprus enjoys a Mediterranean climate with long dry summers from mid-May to mid-October and with mild winters from December to February, which are separated by short autumn and spring seasons.
