

# Nanotoxicology 2010 EDINBURGH

DATE: June 2<sup>nd</sup> – 4<sup>th</sup> 2010

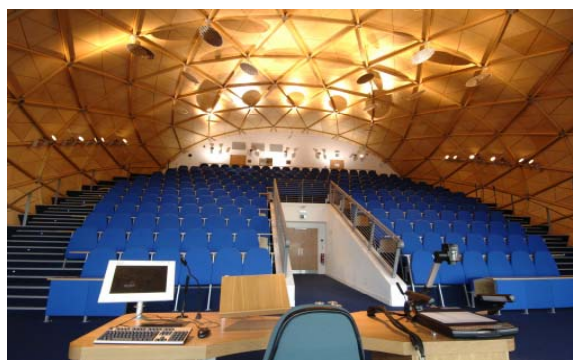

LOCATION: Edinburgh Napier University,  
Scotland, UK.

FIRST ANNOUNCEMENT

[www.nanotoxicology2010.org](http://www.nanotoxicology2010.org)

[nanotoxicology@napier.ac.uk](mailto:nanotoxicology@napier.ac.uk)

PROGRAMME: The conference will be divided into sessions that focus on specific types of nanomaterials .

DISCIPLINES COVERED: Each section will include talks spanning exposure assessment, characterisation, human toxicology, ecotoxicology and risk assessment.

NANOMATERIALS: High aspect ratio nanoparticles, carbon based particles, metals, metal oxides, medical nanoparticles, air pollution and mixed particles.
