

4th IC4N Program Summary

Sunday, June 16, 2013

15:00 - 19:30 Registration

20:30 Welcome Reception

Monday, June 17, 2013

8:30 - 9:00 Welcome - Opening Remarks

9:00 - 10:00 **Plenary Lecture**

10:00 - 10:30 Coffee Break

Fundamentals/Materials Genome Session FMG-1	Nanoscale Sensors Devices & Systems Session NSDS-1	Interdisciplinary & New Directions Session IND-1
--	---	---

13:00 - 15:30 Free Time / **Poster Papers Session P-1/Participant Interaction**

Fundamentals/Materials Genome Session FMG-2	Nanoscale Sensors Devices & Systems Session NSDS-2	Magnetic Nanostructures & Devices Session MND-1
--	---	--

17:00 - 17:30 Coffee Break

Fundamentals/Materials Genome Session FMG-3	Nanoscale Sensors Devices & Systems Session NSDS-3	Nanomaterials for Green Energy Session NGE-1
--	---	---

19:30 **Social Hour** (open to all participants)

Tuesday, June 18, 2013

8:30 - 10:00 **Keynote Lectures I & II**

10:00 - 10:30 Coffee Break

Nanofabrication & Nanomanufacturing Session NN-1	Complex Oxides Session CO-1	Nanomaterials for Green Energy Session NGE-2
---	--	---

13:00 - 15:30 Free Time / **Poster Papers Session P-2 / Participant Interaction**

Fundamentals/Materials Genome Session FGM-4	Complex Oxides Session CO-2	Environmental Applications & Implications Session EAI-1
--	--	--

17:00 - 17:30 Coffee Break

Fundamentals/Materials Genome Session FGM-5	Complex Oxides Session CO-3	Environmental Applications & Implications Session EAI-2
--	--	--

19:30 **Social Hour** (open to all participants)

Wednesday, June 19, 2013

9:15 - 10:00	Keynote Lecture III		
10:00 - 10:30	Coffee Break		
10:30 - 13:00	Nanowires & Nanostructures Workshop Session NNW-1	Complex Oxides Session CO-4	Magnetic Nanostructures & Devices Session MND-2
13:00 - 15:30	Free Time / Poster Papers Session P-2 / Participant Interaction		
15:30 - 17:00	Nanowires & Nanostructures Workshop Session NNW-2	Nano/Bio Applications Session NBA-1	Interdisciplinary & New Directions Session IND-2
17:00 - 17:30	Coffee Break		
17:30 - 19:30	Nanowires & Nanostructures Workshop Session NNW-3	Nano/Bio Applications Session NBA-2	Interdisciplinary & New Directions Session IND-3
20:30	Gala Banquet - Best Poster Paper Award		

Thursday, June 20, 2013

	Nanotechnology Transfer Workshop: <i>From the Lab to the Marketplace</i>		
9:00 - 11:30	Keynote Lectures I, II, III, IV, V		
11:30 - 12:30	Workshop Panel: Open Floor Discussion		
12:30	Light Lunch/Wine Reception (open to all participants)		

END OF WORKSHOP
