

## 2<sup>nd</sup> Conference on Sustainable Urban Mobility

The **University of Thessaly (UTH)**, **Department of Civil Engineering, Transportation Engineering Laboratory**, Greece and the **Civil Engineer's Association of Magnesia (CEAM)** are co-organizing the **2<sup>nd</sup> Conference on Sustainable Urban Mobility** in Volos, Greece on **5 and 6 May 2014**. The conference is organized under the support of the **Technical Chamber of Greece (TEE), Magnesia Division**, the **Hellenic Institute of Transportation Engineers (SES)**, the **Hellenic Institute of Transport (HIT)** of the **Centre for Research and Technology Hellas (CERTH)** and under the auspices of the **Hellenic Ministry of Infrastructure, Transport and Networks in the frame of the Hellenic Presidency of the EU Council**.

The conference will give specific focus on assessing ITS applications for informing passengers pre-trip and en-route, by addressing the theme of ITS in public transport and the human factor. Papers related to sustainable urban mobility are welcome to be presented at the conference, under the topics:

- **Public transport planning**
- **ITS technologies and solutions in public transport**
- **Social Media and Public Transport**
- **Modeling Public Transport**
- **Transit Quality of Service**
- **Public transport and the human factor**
- **Public transport management and Crowdsourcing**
- **Sustainability and soft modes of transport**

You are invited to submit full papers for the conference until **April 2, 2014**.

### Important dates

**April 2, 2014:** Deadline for submission of full papers. Authors should follow the manuscript format of EURO Journal on Transportation and Logistics (visit: <http://www.euro-online.org/web/pages/1479/euro-journal-on-transportation-and-logistics-ejtl>)

**April 17, 2014:** Authors will be notified of the paper peer review results. Authors of accepted papers will receive comments for any requested revisions. Final papers responding to these comments will be resubmitted by **April 25, 2014**.

**May 1, 2014:** Deadline for submission of conference presentations.

**May 5-6 2014: Conference.**

**Selected papers will be considered for publication in a special issue of EURO Journal on Transportation and Logistics.** For more information, please visit the journal website:

<http://www.euro-online.org/web/pages/1486/special-issues>

*Full papers should be sent by email to: [itspublictransport@gmail.com](mailto:itspublictransport@gmail.com) according to the time schedule.*

*For more information about the conference, please visit <http://sustainablemobility.blogspot.gr/>.*

*Questions concerning the conference should be directed to Ms Maria Tsami by email:*

[martsami@civ.uth.gr](mailto:martsami@civ.uth.gr).

In parallel with the conference a list of other events will take place in the city of Volos:

- ✓ the **COST TU1004 Training School on Modelling Public Transport Passenger Flows in the Era of Intelligent Transport Systems**, will take place from 5 – 8 May 2014 (<https://sites.google.com/site/costtransits/>)
- ✓ the **European project City-HUB** will organize the **1st project FORUM event** with the local Stakeholders on the 5th of May 2014 ([www.cityhub-project.eu](http://www.cityhub-project.eu))
- ✓ the **Workshop on ITS strategies and applications for urban mobility**, will be held on the 5th of May 2014 (<http://www.yme.gr/>)
