

Event Schedule

Programs and Events: 7-10 October 2013
Exhibits: 8-10 October 2013
Messe Dresden, Germany

	Expo	Tech ARENA 1	Tech ARENA 2	Conferences			Business & Market	PE 2013 CONFERENCE	Standards	Training
		Free Participation - Hall 1	Free Participation - Hall 2	MEMS	Semiconductor & Test	Packaging		www.plastic-electronics.org	Free Participation	
Monday 7 October				International MEMS/MST Industry Forum Taking MEMS to the next level	17 th Fab Managers Forum Networking Evening				PV Materials PV Automation	
Tuesday 8 October	Exhibition 10:00 – 17:00	Packaging Exhibitor Presentations Plastic Electronics Exhibitor Presentations	Emerging Research Materials Session 1 Graphene and 2D	International MEMS/MST Industry Forum Taking MEMS to the next level	17 th Fab Managers Forum Wafer Fabs - Fit for the future with increased flexibility and novel energy concept				Gases & Liquid Chemicals	
		MEMS Exhibitor Presentations Secondary Equipment Session - Invited Speakers - Panel Discussion - Exhibitor Presentations	Emerging Research Materials Session 2 New Trends in Epitaxy and Atomic Layer Processing		15 th European Manufacturing Test Conference (EMTC) A Reactive or Proactive Industry?	Advanced Packaging Manufacturing Conference The Power of Packaging	Press Conference 7 th Executive Summit and Reception SAXONY! - Get Together	Plastic Electronics Conference Plenary Session Parallel Sessions - OLED's for Displays and Lighting - Flexible Photovoltaics - Integrated Smart Systems	Gases & Liquid Chemicals Silicon Wafer	
Wednesday 9 October	Exhibition 10:00 – 17:00	Market Briefing	Silicon Photonics Session Interconnecting at light speed	MEMUNITY MEMS Testing and Metrology Workshop	15 th European Manufacturing Test Conference (EMTC) A Reactive or Proactive Industry?	Advanced Packaging Manufacturing Conference The Power of Packaging	Market Briefing TechARENA 1	Plastic Electronics Conference Plenary Session	Equipment Automation Compound Semiconductor	
		Test Exhibitor Presentations Best of Advanced Process Control Night of Knowledge	3D TSV Session: The best of European 3D TSV Summit 2013 - Invited Speakers - Exhibitor Presentations	MEMUNITY MEMS Testing and Metrology Workshop	450mm Session 450mm: towards a global cooperation	3D TSV Session: The best of European 3D TSV Summit 2013 TechARENA 2		Plastic Electronics Conference Parallel Sessions - OLED's for Displays and Lighting - Flexible Photovoltaics - Integrated Smart Systems - Microdisplay	Compound Semiconductor	
Thursday 10 October	Exhibition 10:00 – 16:00	Lithography Session - Invited Speakers	Workshop on Equipment Assessment & Equipment Performance Improvements - Invited Speakers		450mm Session 450mm: towards a global cooperation		SEMI Members and Exhibitors Breakfast EU Funding Opportunities Workshop What will the 10/100/20 strategy bring me? Understanding upcoming EU funding mechanisms	Plastic Electronics Conference Parallel Sessions - OLED's for Displays and Lighting - Flexible Photovoltaics - Integrated Smart Systems Plenary Session	HB-LED EHS HB-LED Silicon Wafer	
			Metrology, Process Control, Automation and Software - Invited Speakers - Exhibitor Presentations							

CEI-Europe Courses in Advanced Technology
Courses organized by CEI | www.cei.se | www.semicon.europa.org/courses

Schedule is subject to change.
