

**OMC NET “Inter-sectoral Mobility of Researchers in South-Eastern Europe”,**

**7<sup>th</sup> FP, "CAPACITIES"**

**1.1.2009-30.6.2012**

## Participants

1. General Secretariat for Research and Technology (GSRT), Greece
2. The Centre for Research & Technology-Hellas (CERTH), Greece
3. The Scientific and Technological Research Council of Turkey (TÜBİTAK), Turkey
4. Sofia University 'St. Kliment Ohridski' (SU-NIS), Bulgaria
5. University of Nis, Mechanical Engineering Faculty (MEF), Serbia
6. Agency for Mobility and EU Programmes (AMEUP), Croatia
7. Macedonian Academy of Sciences and Arts (MASA), Former Yugoslav Republic of Macedonia
8. Ministry of Civil Affairs (MCA), Bosnia and Herzegovina
9. UEFISCDI, Romania

## Concept and objectives

**Enhancement of the career development of R&D personnel**

**Through examining the existing legal and research policy gaps hampering the intersectoral mobility of R&D personnel in the South-Eastern European Countries and, accordingly, provide recommendations and guidelines to the respective governments so as to raise the remaining obstacles and promote intersectoral mobility and the career development of researchers.**

## Activities

1. A mapping exercise on the current state of industrial representation on R&D sector in SEE
2. A legislation gap analysis which will examine the legislative framework for career development of researchers in SEE
3. Development of policy guidelines for the formulation of common research policies for enhancing the inter-sectoral mobility of researchers
