THE MAIN EVENT FOR WATER AND ENVIRONMENTAL PROFESSIONALS

10th - 11th April 2013

Royal Geographical Society, London

This event will provide a comprehensive overview of the sector covering the practical reality of sustainably delivering water and environmental management.

The conference aims to challenge and inspire the water and environment community by sharing knowledge and best practice which is at the heart of meeting key global challenges. This is also a fantastic opportunity to network with other professionals making this the must attend event for the water and environment sector.
