

Intelligent Energy Europe

Call for proposals 2013

European Info Day

23 January 2013 - Brussels

Charlemagne building - Rue de la Loi 170

Registration

You must **register via our website** in order to get access to the event.

Registration is done on a **first come first served** basis. Places are limited and we recommend you book your seat early.

The venue opens at 08:30. Subject to the availability of spaces, on-site registration will be allowed from 10:30 on the day of the event.

Plenary session

You can join the Plenary session to gain an overview of all funding opportunities under this year's Call and get insight into practical experiences from an ongoing IEE project.

The basics of submitting a proposal will also be presented.

Parallel sessions

Each parallel session will provide details on the specific policy background and **funding priorities**, an overview of on-going projects, real-life project stories, and time for your questions.

In addition, a workshop at 11:15 will offer **advice** on how to prepare your proposal. It will be tuned particularly for **newcomers** to the IEE programme.

Bilateral meetings

You are welcome to meet a member of the IEE staff in charge of project management during a **10-minute** bilateral meeting.

This will give you the opportunity to discuss your project idea or a specific question related to the 2013 IEE Call for Proposals.

The EACI is committed to offering **fair and equal treatment** to all proposers and to guaranteeing a transparent process. Therefore, please do not expect to receive detailed suggestions nor specific advice on how to improve a particular proposal or idea.

The meeting and its content will remain **confidential**.

You can only register for the bilateral meetings on the day of the event **from 08:30 till 10:30** in the reception area on the ground floor of the venue.

There are a limited number of slots and registration is on **first come, first served** basis.
