

MATERIALS CONGRESS 2008

Programme at a glance

Tuesday 13 May	Wednesday 14 May	Thursday 15 May
<p>Opening address Len Pinder, Technical Head of Materials, E.ON, UK</p> <p>Plenary speaker Materials for the Future – A European Perspective – Gerd Schumacher, Scientific Officer, Julich Research Centre, Germany</p> <p>Report launch <i>Materials graduates: What do they know? The findings of the first national profile of materials</i>, Peter Goodhew, Director of the UK Centre for Materials Education and Department of Engineering, University of Liverpool, UK</p> <p>Parallel sessions Masterclass Advanced Materials for Energy – Alstom, France</p> <p>Symposium Eco-design – Materials for a Sustainable Society</p> <p>Afternoon Presidential address – Barry Lye, IOM³ President</p> <p>Evening Poster session and reception</p> <p>All-day events Exhibition Poster display Local Society Forum</p>	<p>Opening address David Rickerby, Rolls-Royce Plc, UK</p> <p>Plenary speaker Materials for the Future – A Singaporean and East Asian Perspective – Dr Michael Khor Khiam Aik, Director of Research, Nanyang Technological University, Singapore</p> <p>Parallel sessions Masterclass Jaguar and Land Rover Lightweight Vehicle Strategy – Jaguar/Land Rover, UK</p> <p>Symposia Construction Materials for a Changing World Young Surface Engineers' Aerospace Simulation workshop Young Researchers' Lecture Competition 1</p> <p>Evening Poster session and reception Conference dinner</p> <p>All-day events Exhibition Poster display Teachers' experience – smart materials</p>	<p>Opening address Barry Lye, President of IOM³</p> <p>Plenary speaker Materials for the Future – A UK Perspective – Dr David Bott, Chief Executive, Materials UK, London, UK</p> <p>Parallel sessions Masterclasses Biomaterials for Orthopaedics and Wound Management – Smith & Nephew, UK Carbon composites for the automotive industry – Advanced Composites Group, UK</p> <p>Symposia Modern Products and Processes in the Steel Industry Materials Technologies for End-of-life Vehicles Young Surface Engineers' Biomedical Simulation Workshop Young Researchers' Lecture Competition 2</p> <p>Evening Poster session and reception</p> <p>All-day events Exhibition Poster display</p>
