## OBJECTIVES

**Show your care. Meet your planning deadlines. Engage staff, suppliers, students and parents.**

### • Learn How To Plan

Make everyone a stakeholder. Spell out roles and responsibilities.

### • Protect Your Community

Know your resources. Test them against your toughest scenarios.

### • Know How To Respond

Recognize problems earlier. Make the right decisions faster.

### • Plan To Continue

Maintain cash flow and work flow. Keep the learning process alive.

## HIGHLIGHTS

- We present a clear, easy-to-remember overview of prevention, preparedness, response and recovery.
- Enough listening. The rest is hands-on experience.
- We are the organizers of the International Bird Flu Summits in Washington, DC, Bali, Indonesia and Geneva, Switzerland attended by scientists and leaders from around the world. Our school planning materials are reviewed by experts from HHS, CDC, WHO and Department of Education.
