

Illumina's technologies
Advancements in life science research and molecular diagnostics
Imagine the possibilities

July 9th 2014

Time	Presentation	Speaker
10.00 - 10.05	Welcome introduction	Kostas Stamatopoulos
10.05 - 10.35	Introduction to SBS chemistry – illumina NGS Instruments	Maria Spachidou SafeBlood Bioanalytica
10.35 - 11.00	NextSeq500 – Flexible power from Illumina's world	Szabolcs Kokeny illumina
11.00 - 11.30	BREAK	
11.30 - 12.00	Exome Sequencing – portfolio, solutions and panels	Szabolcs Kokeny illumina
12.00 - 12.30	Oncology portfolio	Szabolcs Kokeny illumina
12.30 - 13.00	BREAK	
13.00 - 13.30	Microbiology/Agrigenomics Solutions from Illumina - not only sequencing exists	Szabolcs Kokeny illumina
13.30 - 14.00	Reproductive and Genetic Health continuum: PGS, PGD, NIPT, pre-postnatal testing	Szabolcs Kokeny illumina
14.00 - 14.30	Open questions
