Contest for School students

Organized by the HYDECON Network

- ◆ The competition is open to students of Greek and Bulgarian schools between the ages of 15 and 19. The official team can consist of one or two participants.
- ◆ The leadership of a supervisor is obligatory. The participation should be officially permitted by the school director.
- ◆ The official language of the contest is English.
- ◆ The applicants must submit the completed Project Application Form and their CV, in English. All documents have to be mailed to eeffound@mail.bg before **10th January 2012**
- ◆ The projects should refer to hydrogen fuel cell vehicles, emphasizing on:
 - the differences with the vehicles utilizing traditional combustion engines
 - advantages and drawbacks of both conceptsApplication of schemes, diagrams and especially prototypes is highly appreciated. The project (written text) should not exceed 10 standard pages
- ◆ The contest includes two stages – preliminary selection based on submitted projects; the best five (5) projects from Bulgaria and the best five (5) projects from Greece will proceed to the 2nd - final stage of the contest, which will held in **Bansko – Bulgaria, in April 2012**.
- ◆ The cost expenses of the participants and their supervisors for the travel from Thessaloniki or Blagoevgrad to Bansko and contrariwise as well as the accommodation and full board in Bansko will be covered by the HYDECON project.
- ◆ The first, second and third place winner teams will be awarded with special prizes. The rest of participants will receive consolation prizes. Each participant will receive certificate for attendance.
