## INTRODUCTION

The International conference on Membrane Science & Technology is an annual event jointly organized by Universiti Teknologi Malaysia, Institut Teknologi Bandung, Indonesia; Prince of Songkla University, Thailand, University of Diponegoro, Indonesia, National University of Singapore and Nanyang Technological University, Singapore.

Year 2009, Universiti Teknologi Malaysia is given the honour to host this 7<sup>th</sup> regional symposium after Prince of Songkla University, Thailand in 2008. The theme for this year's symposium is Sustainable Technology for Energy, Water & Environment.

## OBJECTIVES OF CONFERENCE

- To highlight advances and new findings in membrane science & technology and their impacts on technology development.
- To develop a great mutual appreciation of related disciplines apart from the state-of-the art exposure in the areas of direct interest to different participants.
- To foster international collaborations and joint ventures.
- To promote and facilitate the growth of scientific and technical development in the field of membrane technology development in Malaysia and the ASEAN region.

## PROGRAMME TOPICS

- o Membrane for Fuel Cell & Energy Applications.
- o Membrane Technology for Gas and Vapor Separation.
- o Membrane Technology for Water & Wastewater Treatment.
- o Advanced Materials for Membrane Fabrication.
- o Membrane Technology for Environmental Applications.
- o Membrane Technology for Industrial Applications.
- o Biomembrane and Biotechnology.
- o Membrane Technology for Food & Industrial Applications.

## Abstract or paper submission

The presented papers will be reviewed for consideration to be published in Refereed journal (Journal of Membrane Applied Science or Journal of Chemical Engineering Science)

Deadline for submission of abstract :	1 March '09
Notification of acceptance of abstracts :	15 March '09
Deadline for submission of manuscript :	30 April '09

## Registration fee

The registration fee includes the attendance at all scientific sessions, a program book, lunch, tea breaks, conference materials and conference dinner.

Payments should be made to "Bendahari UTM" by bank draft, money order or cash (RM) and must reach the Conference Secretariat before or on the day of registration of the conference. The rates are as follows:

Local participant:	RM 700	Foreign participant:	USD 350
	RM 400 (student)		USD 150(student)

## Distinguished invited speakers

**Ian S. Metcalfe**  
Chemical Engineering Science  
Newcastle University, UK

**Enrico Drioli**  
Istituto per la Tecnologia delle  
Membrane (ITM-CNR), Università della  
Calabria, Italia

**Andrew Livingston**  
Chemical Engineering Department,  
Imperial College, London.

**Abdulrahman A. Alrabiah**  
Dept. of Chemical Engineering  
College of Engineering  
King Saud University,  
Saudi Arabia.

**Wang Rong**  
Singapore Membrane Technology  
Centre, Nanyang Technological  
University, Singapore.

**Ashwani Kumar**  
Institute for Chemical Process and  
Environmental Technology, National  
Research Council Canada, Canada.

**S.M. Javaid Zaidi**  
Chemical Engineering Department  
King Fard University of Petroleum &  
Mineral, Saudi Arabia

**Zaini Ujang**  
Vice Chancellor  
Universiti Teknologi Malaysia,  
Malaysia.

**Takeshi Matsuura**  
Industrial Membrane Research  
Institute, University of Ottawa, Canada.

**Kazukiyo Nagai**  
Department of Applied Chemistry,  
Meiji University School of Science  
and Technology, Japan.

**Kew-Ho Lee**  
Membrane and Separation Research  
Center, Korea Research Institute of  
Chemical Technology, Korea.

**Wirote Youravong**  
Prince of Songkla University,  
Thailand.

**Jun Ma**  
School of Municipal and  
Environmental Engineering,  
Harbin Institute of Technology,  
China
