

## SCANNING MICROSCOPY 2010 PROGRAM SCHEDULE

	Room 1	Room 2
<b>Monday 17 May</b>		
Morning Session 1	Introduction and Plenary Session	
Morning Session 2	Desk Top SEM Symposium	
Afternoon Session 1	Forensics Short Course	Advancements in Particle Beam Microscopy I
Afternoon Session 2	Forensics Short Course (cont'd)	Advancements in Particle Beam Microscopy II
<b>Tuesday 18 May</b>		
Morning Session 1	Forensics Short Course (cont'd)	Advancements in Scanned Probe Microscopy
Morning Session 2	Forensics Forum	Advancements in Particle Beam Microscopy III
Afternoon Session 1	Forensic Microscopy: Applications, Analyses and Research	Particle Beam and Scanned Probe Modeling I
Afternoon Session 2	Forensic Microscopy: Applications, Analyses and Research (cont'd)	Particle Beam and Scanned Probe Modeling I (cont'd)
<b>Wednesday 19 May</b>		
Morning Session 1	Advancements in Optical Microscopy I	Food Analysis using Microscopy
Morning Session 2	Advancements in Optical Microscopy I (cont'd)	Food Analysis using Microscopy (cont'd)
Afternoon Session 1	Late Breaking Papers	Biological
Afternoon Session 2		Late Breaking Papers
