

Honorary Conference Chairs

Chunli Bai, Chinese Academy of Sciences, China
Ji Zhou, Chinese Academy of Engineering, China

Advisory Committee

Binglin Gu (Chair), Tsinghua University, China
Toshio Fukuda, Nagoya University, Japan
Stephen Goodnick, Arizona State Univ, USA
Chih-Ming Ho, University of California, USA
Chennupati Jagadish, Australian National Univ, Aus
Zhuangde Jiang, Xi'an Jiaotong Univ, China
Wen Jung Li, City University Hong Kong, China
James Morris, Portland State University, USA
Tzyh Jong Tarn, Washington University, USA
Yuechao Wang, Chinese Academy Sciences, China
Ning Xi, Michigan State University, USA
Sishen Xie, Chinese Academy of Sciences, China
Zhaoying Zhou, Tsinghua University, China

General Chair

Dong Sun, City University of Hong Kong, China

General Co-Chairs

Meyya Meyyappan, NASA Ames, USA
Bradley NELSON, ETH, Switzerland
Zheng You, Tsinghua University, China
Yonhua Tzeng, National Cheng Kung University

Program Chair

Lixin Dong, Michigan State University, USA

Program Co-Chairs

Parvis Famouri, West Virginia University, USA
Wendong Zhang, Taiyuan Univ Technology, China
Jie Zhao, Harbin Institute of Technology, China

Organizing Co-Chairs

Xiaohao Wang, Tsinghua University, China
Rong Zhu, Tsinghua University, China

Awards Chairs

Gwo Bin Lee, National Tsinghua Univ, Taiwan
Jeff Wang, Johns Hopkins University, USA

Finance Advisor

Xiaoping Yun, Naval Postgraduate School, USA

Finance Chair

King Wai Chiu Lai, City Univ Hong Kong, China

Publicity Co-Chairs

Kyle Jiang, University of Birmingham, UK
Makoto Kaneko, Osaka University, Japan
Jin Woo Kim, The University of Arkansas, USA
T. W. John Yeow, University of Waterloo, Canada
Haixia Zhang, Beijing University, China

Industry Committee Chairs

Jijun Xiong, North China University, China
Lianqing Liu, Shenyang Institute of Auto, China

Tutorials and Workshops Chair

Yehia Massoud, Rice University, USA
Yangmin Li, University of Macau, China

Invited Symposia Chairs

Uche Wejinya, University of Arkansas, USA
Pak Kin Wong, University of Arizona, USA

Exhibition Chairs

Fei Tang, Tsinghua University, China
Haoyao Chen, Harbin Institute Technology, China

Publication Chair

Zhidong Wang, Chiba Univ. Technology, Japan

Registration Chairs

Hesheng Wang, Shanghai Jiaotong Univ, China
Raymond Lam, City Univ of Hong Kong, China

Late News Submissions

The 13th IEEE International Conference on Nanotechnology (IEEE-NANO) will be held from August 5 to 8, 2013, in Beijing, China. IEEE-NANO is the flagship IEEE annual conference in nanotechnology, and one of the biggest nanotechnology conferences in the world. The conference brings together leading scientists and engineers in nanotechnology to exchange information on their latest research progress. The conference provides a perfect forum for scientist and engineers of different disciplines to meet and discuss.

We are now calling for **Late News Submissions** for the IEEE-NANO 2013.

Topics for contributing papers include but are not limited to

Nanoelectronics, nanocircuits, nanomanufacturing, nanofabrication, nanosensors and actuators, nanomaterials, nanorobotics, nanomanipulation, nano-bio-medicine, nanometrology, nanophotonics, nanomagnetism, micro-to-nano-scale bridging, NEMS applications, nanofluidics, and various nanoassemblies and devices, nanocommunications and nanonetworking.

Contributed Papers: Full papers or abstracts must be submitted in PDF format meeting the IEEE PDF Requirements. The accepted full papers will be published by IEEE Press, included in IEEE Xplore and Indexed by EI.

Important Dates:**From now on****June 1, 2013****June 5, 2013****August 5 – 8, 2013****Late News Submissions
