Federation of Industries of Northern Greece**

## Invitation

It is a great privilege for us to invite you to the Conference entitled

***“Metagenomes and Food: Innovations for Agriculture, Nutrition and Health”.***

The theme of this conference is to present the Emerging Field of **Metagenomics** and applications in the Agriculture, Nutrition and Health.

The Conference is scheduled to take place on **4th July 2012**,  
in Thessaloniki Greece,  
hosted by the **Centre for Research and Technology Hellas**.

The conference is co-organized by the Institute of Applied Biosciences,  
The Federation of Industries of Northern Greece and the French  
Consulate of Thessaloniki and sponsored by the InnoFOOD, the Microme  
and the AgriGenoTrans programs.
