WSED next!

A conference for senior students and young researchers on biomass & energy efficiency

- » Senior students, young researchers and young professionals are invited to submit contributions at: www.wsed.at/call
Linked to the main topics of the WSED12 conference, **WSED next!** will focus on two topics: (1) **biomass** and (2) **energy efficiency in buildings**.
- » Deadline for submission is **5 October 2011**.
- » A **high-level scientific committee** will select papers for oral or poster presentation.
- » The **organisers will cover the costs** for accommodation, meals, participation and local transport for up to 60 selected participants for 3 conference days (arrival: 28 February, departure: 2 March)
- » Submissions are invited from **any scientific field** (e.g. technology & engineering, economic and social sciences, law, arts, etc.) and must be in English only.
- » With more than 800 participants every year, the World Sustainable Energy Days conference is **one of the largest annual conferences** on sustainable energy in Europe. In the last 10 years, the conference attracted more than 10,000 participants from 99 countries!
- » Further information: **www.next.wsed.at**

We look forward to your contributions! See you in Wels!
